

Simply Charming Earrings in Light Rose

Project E724

Designer: Julie Bean

This earring featuring a petite SWAROVSKI ELEMENTS crystal channel charm hanging from an elegant earring hook is timeless and classic. The design is elegantly understated and will most likely become one of your most worn accessories.

Project uses 2 pieces

Recommended Tools:

[XTL-5511] Beadsmith Jeweller's Micro Pliers Chain Nose Flat Nose

Instructions

Don't forget to double these instructions to make your matched pair of earrings.

1. Carefully move the curled front part of the earring hook to the side, twist don't pull (treat it as a jump ring) and slide your SWAROVSKI ELEMENTS gold plated crystal channel charm in light rose onto the hook. Now return the front part to its original position.

2. All done! Yep, it was that easy.
