

# Calypso Earrings

## Project E751

Designer: Julie Bean

Impress your friends with your wire working skills by making these fun spiral patterned earrings. Although they look impressive, they are actually pretty easy to make and a fun intro into working with square shaped fancy wire.

## Instructions

You will also need a ruler for this project. By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Start by cutting 7.5" of german style fancy square wire. Thread it through the hole in a purple crazy lace agate coin bead so that 50% of the wire is on either side.
2. To make the spirals, please watch the video: [How to Make the Calypso Wire Spiral Earrings](#).
3. Based upon what you learned in the video, create your spirals.
4. Attach an earring hook to the outer rung of the top spiral (as seen in the video).
5. All done! Enjoy!
