## Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Begin by placing onto a head pin: 1 bead cap facing up, 1 SWAROVSKI ELEMENTS crystal drop bead in aquamarine, and another bead cap facing downwards. Create a simple wire loop after the last bead cap.
2. Open the simple wire loop that you just made and link it to one of the loops on your silver plated violet stamping connector. Close the loop.
3. Open the loop at the base of your earring hook (the same way you would open a jump ring) and link it onto the violet connector, opposite the crystal drop. Close the loop back up.
4. Enjoy!
