### Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Start by removing the jump ring from your candy charm. You will not need it for this project, but keep it around for another project at a future date.
2. Place a bicone onto an eye pin. Create a simple wire loop after the bead.
3. Open the simple wire loop and attach it to the loop at the top of your charm. Close the loop back up.
4. On the other side of your bead, open that simple wire loop and link onto your earring hook. Close the loop back up.
5. Happy Holidays!
