Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Please watch the video: How to Make the Bejeweled Clover Earrings with Gita Settings for Swarovski Crystals. In this video, you will see from start to finish how to create these earrings by placing Swarovski Crystal round stone chatons in sizes pp14 and ss39 into Gita lever back earring settings. This project is made using G-S Hypo Cement glue and the BeadSmith Magical Pick.
