Wubbers Classic Series Round Nose Quality Jeweller's Pliers, [XTL-0020] Baby Wubbers

Quality Fine Chain Nose Jeweller's Pliers

## Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Begin by using flush cutters to cut 1.5 inches of 24 gauge wire. Onto one end of the wire, make a simple wire loop.
2. Slide on one 4mm stainless steel bead, then make another simple wire loop on the other side of the bead.
3. Repeat steps 1 and 2, this time using two inches of wire and a 6mm stainless steel bead. Note: make sure that one of your loops is at least 6mm in diameter to accommodate the Swarovski Crystal ring that you will be attaching in step 5.
4. Use pliers to open a loop on one side of your 4mm bead the same way you would open a jump ring, and slide on the smaller loop of your 6mm wrapped bead. Close the loop.

5. Next, open the larger loop of your 6mm wrapped bead, and slide on the Swarovski Crystal Ring. Close the loop.

6. To attach your earring hook: Open the loop on your earring hook the same way you would open a jump ring, and slide on the opposite loop of your 4mm bead. Close the loop.

7. Enjoy!
