

Chrome Temple Earrings

Project E8072

Alexandra Smith

Sparkling beaded chain cascades from a TierraCast cord end in these elegant earrings. The design comes together simply using wrapped wire loops on 24 gauge wire.

Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Please watch the video: Quick & Easy DIY Jewelry: Chrome Temple Earrings. In this video, you will see from start to finish how to create this design using 6mm TierraCast cord ends with 24 gauge wire and beaded chain by Zola Elements. First you will see how to cut the beaded chain and make a tassel using a wrapped wire loop. Then you will see how to attach an earring hook.
