

## Desert Jasper Earrings

### Project E817

Designer: Julie Bean

Simple yet elegant, these earrings feature a lovely gemstone cabochon which has been embedded in concrete. They are definitely a design that will have your friends saying 'How did you do that?'

SKU: FEA-8221

Project uses 1 pair

Desert Jasper Gemstone Round Flat-Back Cabochons 13mm (4 Pieces)

SKU: SPCB-2011

Project uses 2 pieces

### Instructions

Please note you will also need a disposable mixing cup, some way of measuring tablespoons and teaspoons, tap water, and something such as a popsicle stick to stir your concrete.

1. Please watch the video: [How to Make Concrete Jewelry](#).
2. In the video you will learn how to mix your concrete and also how to make this pair of earrings. The video also provides tips on how to keep the earring finding level so that you can pour the concrete.
