

# Clarabel Earrings

## Project E820

Designer: Julie Bean

Glittering Swarovski crystal rhinestone shine brightly against the natural brass color of the Vintaj Designer Series connector that forms the foundation of this design. Hanging below the sparkly connector is a petite Swarovski coin pearl.

## Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. To see how to make these earrings from start to finish, please watch the video: How to Make the Clarabel Earrings with Vintaj Designer Series Components.

2. In the video you will learn how to add the flatback rhinestones to the Vintaj connector and how to make simple wrapped wire loops with wire looping pliers. You will also see how to build the earring.
