Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. To make these earrings, please watch the video: How to Make Vintaj and Swarovski Crystal Earrings. The earring shown features crystals and you will simply be substituting the pearls for the crystals. Nothing else will change.
2. This video will teach you how to make these earrings from start to finish. You will learn how to make simple wire loops and connect dangles together with their loops.
