By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Begin this earring by setting your Swarovski crystal into the Gita earring setting using a popsicle stick. To see how to do this, please watch the video: [How to Make Earrings with Gita Settings for Swarovski Crystals.](#)
2. Next, open a jump ring and link it to the loop on the base of the earring as well as the loop on the chakra connector. Close the jump ring.
3. Open another jump ring and link it to the loop on the other side of the chakra component as well as the top loop of your tassel. Close the jump ring.
4. All done.
