### Instructions

You can make a set of 4 hair pins with the ingredients included in this project!

1. Begin by adding a row of E-6000 glue across the top portion of your gun metal hair pin. See photo for placement assistance.
2. Next, carefully glue on 5 red metal flowers, keeping them as close together as possible.
3. Keep the hair pin flat and allow to dry overnight.
4. You're done!
