### Instructions

Note: You will also need a hair tie for this project. Just a simple one purchased from a drugstore should work fine.

1. To make this hair tie, please watch the video: How to Use Nunn Design Pony Tail Holders. This project is shown from start to finish in the video.
2. If you don't want to watch the video, all you need to do is:
3. Place the hair tie into the well of the pony tail holder.
4. Place some glue on the flat tabs on the backside of the pony tail holder.
5. Center the pony tail holder with hair tie in it on the backside of the button and press into place.
6. Let dry.
7. All done!
