[XTL-5511] Beadsmith Jeweller's Micro Pliers Chain Nose Flat Nose, [XTL-5600] Xuron Sharp Flush Cutter Pliers - Wire/Soft Flex, [XTL-5032] Beadsmith Wire Looping Pliers - Concave And Round Nose

Instructions

1. Add Czech glass druk 4mm beads in Crystal Ghost Matte AB, Crystal Vitrail, Garnet, and Jet Black to the gunmetal grey 2" head pins in random color combinations, with 3 - 5 beads per head pin. Use a pair of wire looping pliers to create a simple wire loop after the beads on each head pin.

2. As you make the chain links, attach them end to end with 4mm, 21 gauge gunmetal plated jump rings.

3. Continue to make links until your chain measures 18".
4. Use a jump ring to connect one end of the chain to one half of a Green Girl Studios pewter winged skull and key toggle clasp. Then use another jump ring to attach the other half of the toggle clasp to the other end of the chain.
5. Wear this necklace with the clasp on the side to show it off!
