### Instructions:

1. Open the jump ring that comes on the oval pave magnetic clasp and replace it with a 22k gold plated 5mm, 21 gauge jump ring.
2. Use the spring rings on your 22k gold plated, gun metal plated, and silver plated snake chain necklaces to attach them to the new jump ring.
3. Braid the three necklaces together loosely down the length.
4. At the end of the braid, place the ends of the three necklaces onto the lobster clasp on the end of the magnetic clasp.

### Variations

Use a different type of finished chain necklace to give your braid a whole new look.

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
