Recommended Tools:

[XTL-5511] Beadsmith Jeweller's Micro Pliers Chain Nose Flat Nose, [XTL-5600] Xuron Sharp

Flush Cutter Pliers - Wire/Soft Flex

Instructions

This is designed to be a shorter necklace and measures just about 16" long. If you would like to adjust the finished length, simply add or subtract from the length of the cable chain pieces.

1. Clear away any cut links from the ends of your seed pearl sterling silver chain using a pair of flush cutters, and leaving the ends with intact links.
2. Cut two 5" lengths of delicate sterling silver cable chain.
3. Use a 3mm, 22 gauge sterling silver jump ring to attach one piece of cable chain to each end link on your pearl chain.
4. Use the included jump ring on a sterling silver lobster clasp to attach the clasp to one end of the cable chain, and attach a 4mm, 22 gauge sterling silver jump ring to the other end of the cable chain.
