Instructions:

These instructions will give you a necklace that is approximately 19 inches. To make it shorter or longer, adjust the ribbon length accordingly.

1. Begin by cutting your ribbon to 22 inches. Set aside.
2. Open the jump ring that comes on the Om pendant and remove it. Open one 10mm jump ring, place it around the pendant and around the lapis lazuli gemstone pendant, with the Om pendant in front. Close the jump ring.
3. Now take your ribbon and thread it through the jump ring that is attaching the two pendants, so that the pendant is in the middle of the ribbon.
4. Tie three overhand knots to secure the ribbon. On each side of the knots thread on 1 wooden bead per side.
5. To finish the ribbon use the ribbon crimps and a dab of E6000 as demonstrated in this video.
6. Finally, attach one jump ring to one crimp. And to the other crimp attach a jump ring and the lobster clasp.
