SKU: XTL-5511

Beadsmith Jewelry Fine Round Nose Micro Pliers  
SKU: XTL-5514

Xuron Sharp Flush Cutter Pliers - Wire/Soft Flex  
SKU: XTL-5600

### Instructions:

This design will give you a finished necklace measuring 16" with a dangle of 2.5".

1. Cut off a piece of chain 1.5". Open one 8mm jump ring and attach the fish pendant and one end of the 1.5" chain. Close the jump ring.
2. Cut off a piece of chain that is 2.5". Open one 8mm jump ring and attach the center link of this chain to the jump ring as well as the rectangular sea glass pendant and the other end of the chain with the fish pendant on it. Close the jump ring. Note: The sea glass has a concave shape to it. Be sure that the chain with the fish on it, hangs on the front of the curve, facing outward.
3. Onto one eye pin place one mini oval bead. Make a simple wire loop. Repeat this one more time with a second mini oval bead.
4. On to the piece of chain attached to the sea glass, open one of the eye pins with the mini oval bead on it the same way you would a jump ring and attach it to one end of this chain. Repeat on the other side of this chain.
5. To each eye pin attach 6" of chain.
6. To one end of the 6" chain, open a 5mm jump ring, attach it to the chain and attach one lobster clasp to the jump ring. Close the jump ring.
7. To the other end of the 6" chain, open a 5mm jump ring, attach it to the chain and close the jump ring.

### Variations

Choose your favorite color of SWAROVSKI ELEMENTS Crystal Fish Pendant.

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
