Instructions

1. Taking your flush cutters cut off the loops of two snowflake charms.
2. Open the locket pendant and place it on your table.
3. Carefully add the two snowflakes, a few small crystals from the crystal splash, and a small mix of the two shades of the white seed beads.
4. Close the front of the locket to trap the snow inside.
5. Open the oval jump ring from one side of the chain, remove the end and slide the chain through the loop of the locket pendant.

6. Place the jump ring back on chain and close the jump ring.

7. All done!
