Instructions

These instructions will give you a necklace that is 30 Inches long. To adjust the length, modify the length of chain used.

1. Cut two lengths of 13 1/4 inches. Cut two lengths of 1 1/4 inches.
2. Take one 13 1/4 inch length of chain, open one jump ring and attach it to one end of the chain. Close the jump ring.
3. To the other end of the chain, open one jump ring and attach the chain to the hole of the silver bar. Close the jump ring.
4. Open one jump ring, attach it to the silver bar and one length of chain 1 1/4 in. Close the jump ring.
5. Open one jump ring, attach together the 1 1/4 in of chain and the second 1 1/4 inch of chain. Close the jump ring.

6. Open one jump ring, attach it to the silver bar and to the second length of chain 1 1/4 in. Close the jump ring.
7. Open one jump ring and attach it to the silver bar and to the second length of 13 1/4 inch chain. Close the jump ring.
8. To the end of this chain, open one jump ring and attach it to a lobster clasp. Close the jump ring.
9. Open one jump ring and attach the tiger pendant to the jump ring in the center bottom part of the chain.
10. All done!
