Instructions

This necklace is 28 inches long. To modify the length of the necklace, simply adjust the length of chain respectively.

1. Cut two lengths of chain, 10 1/2 inches each, starting with a large ball and ending with a small ball. Set aside.
2. Cut two lengths of chain, about 3/4 of an inch long, consisting of a small ball, a large ball and a small ball. Set aside.
3. Cut off a large ball without jump rings and set aside.
4. Take one length of chain that is 10 1/2 inches and open one jump ring and attach it to the end with the large ball. Close the jump ring.
5. To the other end of this chain, open a jump ring and attach it to one square connector. Close the jump ring.

6. Open another jump ring and attach the square connector to one length of chain 3/4 long. Close the jump ring.
7. To the other side of the chain connect another square connector with a jump ring.
8. On the other side of the second square connector attach one jump ring. Close the jump ring.
9. Open one more jump ring and attach the single large ball link and attach this jump ring to the jump ring attached to the square connector. Close the jump ring.
10. Open another jump ring, attach the second jump ring from the last step to another square connector. Close the jump ring.
11. Open another jump ring and attach the square connector to one length of chain 3/4 long. Close the jump ring.
12. To the other end of this chain, open a jump ring and attach it to one square connector. Close the jump ring.
13. Open another jump ring and attach the square connector to the other length of chain 10 1/2 inches, to the side with the small ball. Close the jump ring.
14. To the other end of this chain, attach one lobster clasp with a jump ring. Close the jump ring.
15. To attach the dragonfly charm, take one jump ring and attach it to the other side of the single ball connector in the center of the necklace. Close the jump ring.
16. All done!
