## Instructions

This finished necklace is 44 Inches in length. It can be worn long or doubled up. You can also easily modify the length by adjusting the length of chain throughout the design.

1. For this necklace you will need 12 lengths of chain 2 1/2 inches each. Using your flush cutters, cut off your chain lengths.

2. Using the jump rings you will attach the links to the chain pieces. Pattern: 25mm black link, chain, 22mm crystal link, chain, 22mm black link, chain, 25mm crystal link, chain, 22mm black link, chain, 22mm crystal link, chain. Repeat once more in this same order to link up with the first 25mm black link. Complete the necklace by attaching this last link.

3. All done!
