Instructions

This necklace measures 16 inches. To adjust the length simply modify the length of chain one each side of the necklace respectively.

1. Cut two lengths of chain 7.5 inches each.
2. Open one jump ring and attach it to one end of one piece of chain and to the circle link. Close the jump ring.
3. Open another jump ring and attach it to one end of the second piece of chain and to the circle link. Close the jump ring.
4. Open another jump ring and attach it to the end of the piece of chain you just attached. Close the jump ring.
5. Open the jump ring attached to the clasp and attach the jump ring to the the piece of chain. Close the jump ring.
