

Kaleidoscope Pendant Necklace

Project N2228

Kat Silvia

Make a geometric statement with a Swarovski Crystal Kaleidoscope fancy stone in a perfectly formed setting. By keeping the design simple, you allow the color of the crystal to do the talking.

Instructions

You will also need a scrap of wire or a toothpick for this project.

1. Place a dab of E6000 into the well of the setting. Place the stone into the setting. Set aside. Allow this to dry for at least 24 hours before wearing.
2. Open one jump ring and attach it to the loop of the setting and to the chain. Close the jump ring.
