## Instructions

This necklace measures approximately 17.5 inches. To modify the length, simply adjust the number of beads strung respectively.

1. Cut of 24 inches of beading wire. Place a bead stopper from one end.
2. String the beads in the following order: one gemstone bead, one demi round; repeat 23 times. Then string on one end of the open frame pendant, one demi round, one gemstone bead, one demi round, the other end of the open frame pendant, one demi round, one gemstone bead, and one demi round.
3. Then string on one circle pendant, one demi round, one gemstone bead, and one demi round.
4. String on one end of the open frame pendant, one demi round, one gemstone bead, one demi round, the other end of the open frame pendant, one demi round, one gemstone bead, and one demi round.
5. Then string on one circle pendant, one demi round, one gemstone bead, and one demi round.
6. String on one end of the open frame pendant, one demi round, one gemstone bead, one demi round, the other end of the open frame pendant, one demi round, one gemstone bead, and one demi round.
7. Finally string on one gemstone bead and one demi round; repeat 23 times without adding the final demi round.
8. String on one crimp tube. Thread the wire up and over the wire protector and add one closed jump ring and thread the wire back down through the crimp tube. Use the Magical Crimping Pliers to crimp the crimp tube.
9. Move to the beginning side of the necklace, remove the bead stopper and repeat the above process on this side, string on one crimp tube. Thread the wire up and over the wire protector and add one lobster clasp and thread the wire back down through the crimp tube. Crimp the crimp tube.
