Instructions

This necklace measures 16 inches. If you'd like a different length, you will need to choose a different finished chain necklace.

1. Please watch our video: How to Add Beads to a Centerline Star Shape Pendant. From what you learned in the video, use the Nymo thread to add the rows of Miyuki Delica beads.
2. Once you have added your beads to the pendant, open one jump ring and slip it on to the pendant and on to the chain. Close the jump ring.
