Pliers with Standard Handle and Tip Protector 5 Inches Long, 1 Piece

## Instructions

This necklace measure about 20 inches to about 22 inches.

1. Cut your chains into the following lengths. You can use inches or links as your guide. Gold chain: two sections of 6 inches each or 47 links each. Silver chain: two sections of 5 inches each or 40 links each and two sections of 7 inches each or 54 links each. Set these aside.

2. Then cut three lengths of beading wire 12 inches each. Place the bead stopper about two inches from one end of each cord. String on the beads in the following order.

3. One 6mm fire polished bead, one 6x3mm rondelle. Repeat 3 times, and add one 6mm fire polished bead. Then string on one 8x4mm rondelle, one 8mm fire polished bead. Repeat 9 times, and add one 8x4mm rondelle. Finally one 6mm fire polished bead, one 6x3mm rondelle. Repeat 3 times, and add one 6mm fire polished bead.

4. Strand one: Use the Silver Rondelles and Green Iris beads. You will finish with silver chain and findings. (See Video Below for Instruction)
5. Strand two: Use the Gold Rondelles and Antique Copper beads. Finish with gold chain and findings.
6. Strand three: Use the Hematite Rondelles and the Jet Rainbow and Blue Iris beads. Finish with silver chain and findings.
7. Once you have your strung components finished, please watch our video: How to Combine Chain and Strung Jewelry. In this video you will learn how to attach the chains and finish the strung jewelry. You will see one completed, simply repeat for all six ends with their lengths of chain accordingly, as shown in the video. once you have all three strands completed you will attach each end to the strand reducer with jump rings and finally attach the toggle clasp with jump rings as well.
