Instructions

This lariat necklace measures 24 inches long. For a lariat that is longer, simply add more chain.

1. Using your chain nose pliers, open a 4mm gold plated jump ring and attach it onto the last link from one end of your 20" chain and close. Open a 6mm jump, slide on your 23mm Swarovski clover pendant and attach it onto that first jump ring and close.
2. Open another jump ring and attach it to the last link on the other side of the chain and close. Open another jump ring, slide on the loop from your gold plated horse shoe and attach it onto that previous jump ring and close.
3. Hook the chain onto the horse shoe charm (see photo) and allow the Swarovski crystal clover pendant to drop where you like.
4. Enjoy!
