### Instructions

The two chain lengths in this necklace measure 16" and 18" long. To make your lengths longer, simply add more chain.

1. Using your flush cutters, cut two lengths of gold plated rolo chain measuring 16" and 18".
2. Using your chain nose pliers, open a gold plated jump ring and slide on the last links from one side of both lengths of chain. Close the jump ring.
3. Repeat this step on the other side, but also slide on the loop from your lobster clasp and close.
4. Next, open a jump ring and slide on the loop from your initial charm. Slide it onto the 16" chain and close.
5. Open another jump ring, slide on your Provence Lavender Swarovski briolette pendant and slide it onto your 18" chain and close.

6. You're done!
