Instructions

1. Before you begin, please watch the video on How to Wire Wrap A Briolette.
2. Following what you learned in the video, cut a 2 foot length of wire using your flush cutters. Thread it through your lapis pendant and create a "Birds Nest" wire wrap. Snip off any excess wire using your flush cutters.
3. Using your chain nose pliers, open a gold plated jump ring and attach it onto the link at the 12" center point of your chain length. Slide on the loop from your wire wrapped pendant and close.
4. Next, using your chain nose pliers, open a gold plated jump ring and attach it onto the last link from one side of your 24 inch length chain. Close the jump ring.
5. Open another jump ring and slide it onto the last link from your other side of chain; also slide on the loop from your lobster clasp and close.

6. That's it!
