

Keys of Gold Necklace

Project N519

Designer: Kathy Mannix

The matte gold key and padlock is a wonderful contrast to the simple black of this necklace.

What You'll Need

Black Enameled Steel Ball Chain 2.4mm - Sold By The Foot

SKU: CHA-2004
Project uses 2 feet

Black Enameled Steel Ball Chain Connector Clasps - Fits 2.4mm (10)

SKU: FCL-2004
Project uses 1 piece

Instructions:

1. Cut a piece of black artistic wire 6 inches in length. Wire wrap the Swarovski wild heart pendant (SWBB-3601). Cut off excess wire. Set aside.
2. Open a jump ring. Link the jump ring onto the matte gold padlock (PND-0532) and the hammered black ring. Close jump ring.
3. Open another jump ring (FJR-6001). Link the jump ring onto the matte gold key (PND-0517) and the large hammered black ring (BMB-5612). Close jump ring.
4. Open another jump ring. Link the jump ring onto the Swarovski heart pendant you wire wrapped earlier and the hammered black ring. Close jump ring.
5. Open the last jump ring. Link the jump ring onto the large hammered black ring. Close jump ring.
6. Thread the 2 feet of ball chain (CHA-2004) through the jump ring you just placed onto the large hammered ring.
7. Add the ball chain clasp (FCL-2004) to one of the ball chain. You're finished!
