### Instructions

1. Using your GS hypo cement, place a dab of glue into the shallow hole on the heart side of the TierraCast charm.
2. Pick up one Swarovski crystal flatback rhinestone with your jewel setter tool. Then place the rhinestone carefully into the hole. Set aside to let the glue dry for a few hours.
3. Open a jump ring. Slide it through the loop at the top of the charm and close it around your ball chain necklace.
4. Enjoy your necklace!
