Instructions

These instructions will make a 20 inch necklace. For a longer or shorter necklace, adjust the number of inches of chain you purchase.

1. Cut two 9 inch lengths of chain.
2. Open a jump ring. Slide on the last link of one piece of chain, and also one hole of the rose gold brushed chevron pendant. Close the jump ring.
3. Open another jump ring. Slide on a link of chain 1/2 inch from where the jump ring from the previous step is attached, and also one hole of the yellow gold brushed chevron pendant. Close the jump ring.

4. Open another jump ring. Slide on a link of chain 1/2 inch from where the jump ring from the previous step is attached, and also one hole of the silver brushed chevron pendant. Close the jump ring.
5. Take your second piece of chain and line it up against the other side of the pendants. Open a jump ring. Slide on the last link of the second piece of chain, and also the second hole of the rose gold brushed chevron pendant. Close the jump ring.
6. Open another jump ring. Slide on a link of chain 1/2 inch from where the jump ring from the previous step is attached, and also the second hole of the yellow gold brushed chevron pendant. Close the jump ring.
7. Open another jump ring. Slide on a link of chain 1/2 inch from where the jump ring from the previous step is attached, and also the second hole of the silver brushed chevron pendant. Close the jump ring.
8. Open a jump ring and slide on the first link of chain on one side of your necklace. Close the jump ring.
9. Open another jump ring. Slide on the first link of chain on the other side of your necklace, and also the loop of your clasp. Close the jump ring.
10. Close the clasp, and you're finished!
