

Scarborough Necklace in Sage

Project N7063

Rachel Zaimont

Two whimsical styles of Czech glass beads - 3-hole Cali beads and Mushroom beads - nestle together in a wreath-like structure in this bead woven necklace, in aqua and metallic rainbow hues. Swarovski crystal bicones radiate extra sparkle, and a built-in jump ring makes hanging the piece a cinch.

What You'll Need

Extra-Fine Thread Snips - Cuts Textiles, Yarn, And More!

Instructions

These materials will make an 18 inch necklace. For a longer or shorter necklace, you can purchase a finished chain necklace of a different length.

1. For complete instructions on how to make this necklace, please watch our video on how to bead weave the Scarborough Necklace with 3-hole Cali beads and Swarovski crystal bicones.
2. In this video, you will learn how to bead weave the focal pendant using a variation of right angle weave, how to attach the jump ring and how to hang it from a finished chain necklace. Enjoy!
