Instructions

1. To make this necklace, please watch the video: [How to Make a Knotted Pearl Necklace without Clasp](#). This video will show you everything you need to know to make this necklace.
2. If you would like a more detailed video on how to just do pearl knotting, please check out the video [here](#).
3. When you have finished your necklace, add a little dab of GS HypoCement glue over your two end knots, the ones that you made to connect the two sides of your necklace together.
