

The Fremont Necklace - Seafoam

Project N790

Designer: Julie Bean

Large round pyrite beads blend beautifully with wood beads, Czech Glass UFO beads in seafoam and metal components in this visually striking strung necklace. The design is capped off with lengths of gold chain on either side of the necklace.

Instructions

This necklace measures 25 inches long. You can easily make it shorter by using a shorter length of chain on each side.

1. To make this necklace, please watch the video: [How to Make a Strung Necklace](#).

2. In this video you will learn how to make this necklace from start to finish. Some of the techniques you will learn include: how to use beading wire, how to crimp crimp beads, how to use thread and wire protectors, how to use crimp bead covers and how to compose a strung necklace.
