Instructions

1. Begin this project by watching the video: How to Make a Necklace with Gita Settings for Swarovski Crystals The video will not show you how to make this exact necklace but it will show you how to set the crystals into the prong settings with a popsicle stick.
2. Based upon what you learned in the video, set your stones in the following order working from left to right - crystal vitrail light, crystal lilac, crystal vitrail light, crystal lilac, crystal vitrail light.
3. Your necklace setting comes with a clasp and adjustable chain already attached. You are all done!
