

INSTRUCTIONS

To make this project, please refer to the pattern provided and note that you will repeat the stripes at the beginning of the pattern again at the end after you reach your desired bracelet length. You can easily make the bracelet any size that you want and the clasp itself also has an extender chain. To do this project, please watch the following videos in order. It seems like a lot of videos, but when you finish them, you will know how to loom a bracelet and attach the clasp along with some extra knowledge too!

1. Please watch [Quick Tip: How to Set up the Jewel Loom for Large Beads.](#)
2. Next, watch the video: [How to Use the Jewel Loom Beading Loom.](#)
3. The next video to watch is: [How to Tie Off and Add More Thread in Loom Work.](#)
4. Please then watch: [How to Add a Beadslide Clasp to Loom Work](#) (even though this is a different clasp featured, it's the same design with the slide ends).
5. For the last video, please watch: [How to Customize Your Loom Bracelet Extender Chain to Match Your Design.](#)
