

The video for this project shows you how to make the first cluster and the second cluster, as well as showing you how to attach the clasp. Knowing how to do those three steps will allow you to make the entire bracelet and tie off the threads.

1. Place 6 feet of thread onto your needle for a 6.5 inch bracelet. Add another foot of thread for a longer bracelet.
2. Please watch the video: [Jewelry Making Tutorial: How to Make the Garden Party Beaded Bracelet](#). Follow the steps in the video and complete your bracelet. Enjoy!
