

Before beginning this project, measure your ankle to make sure you cut the right amount of chain. The average anklet measures 9 inches but that can vary based upon the individual.

1. To make this project, please watch the video: [How to Make a DIY Chain Anklet](#). This video will show you how to make the design from start to finish.
2. Make your anklet according to what you learned in the video. Have fun wearing it!
