

INSTRUCTIONS

To make these earrings you will be doing some simple bead weaving. Consider making multiple starburst clusters and linking them together for a long earring variation.

1. First, cut 24 inches of thread and string it onto your needle.
2. Please watch the video: [Easy Bead Weaving: How to Make a Seed Bead and 2-Hole Bead Star Cluster](#). This video will not only show you how to make the star cluster but also how to turn it into an earring.
3. Make two earrings. Enjoy!
