

INSTRUCTIONS

These earrings are very easy to make and just require two pairs of chain nose pliers for tools.

1. Start by **opening a jump ring** and connecting it to your Majestic pendant and the base of one of your hoops. Close the jump ring.
2. Open the loop at the base of your earrings hook (the same way you would open a jump ring) and connect it to the top loop of the hoop. Close the earring hook loop.
3. All done! Make sure to repeat the instructions to make your matched earring pair.
