

This necklace slips over the head and does not use a clasp. The finished necklace, as shown in the video, measures approximately 25 inches. If you want, you will have enough supplies to make it even longer by making additional beaded links.

1. To make this necklace, please watch the video: [How to Make a Link and Chain Necklace featuring RE:Glass Seed Beads](#). This video will teach you how to make the necklace from start to finish. Enjoy!
