

You can easily adjust the length of this necklace by cutting the chain to whatever length you want. The beaded focal part will be approximately 10 inches. If you want an 18-inch necklace, cut the chain so it is 4 inches on each side.

1. This necklace was taught during our live show, [Beadaholique Live Class: Making the Spring Serenade Necklace](#). Please watch the video to see how to make this project. You might need to fast forward through the beginning to get to the instructions.
2. Make your necklace according to what you learned in the video. Enjoy!
