

Choose your favorite charms or beads to dangle from the memory wire ends!

1. **Create a simple wire loop on one end of your memory wire.**
2. String on the following beads: 8 red, 7 orange, 8 yellow, 8 green, 7 blue, 8 purple.
3. Repeat the previous stringing sequence another 4 times.
4. Trim your wire 1/2" from your last bead using memory wire cutters (do not use regular jewelry making pliers). Create another simple wire loop.
5. **Open a jump ring** and link it to one of your charms as well as one of the loops on your bracelet. Close the jump ring.
6. Repeat on the other side of your bracelet with another charm and another jump ring.
