

You can use round nose pliers or wire looping pliers to make your simple wire loops for this project.

1. Place the following beads onto an eye pin: 3mm bicone, 3mm pearl, 4mm round bead, 4mm pearl, 4mm round bead, dragonfly wings, 3mm pearl. After the last bead, **create a simple wire loop**. Trim off any excess wire.
2. **Open a jump ring** and link onto it the 16mm pear-shaped pendant. Also link onto the jump ring the loop at the base of your dragonfly wing/bead segment. Close the jump ring.
3. Open the loop at the base of your earring hook, the same way you would open a jump ring, and link the top loop of the dragonfly wing/bead segment onto it. Close the loop back up.
4. Repeat steps 1 - 3 to make your matching earring. Enjoy!
