

## Pink and White Love in Bloom Ring

**Project R1000**

*Designer: Megan Milliken*

A pretty white lucite rose cabochon accents a delicate pink filigree base in this sweet, feminine ring.

### What You'll Need

Vintage Look Lucite Cabochon Bead White Flower Rose 15mm (2)

SKU: BCP-4558

Project uses 1 piece

Baby Pink Color Coated Brass Glue On Adjustable Ring (1)

SKU: FRG-0730

Project uses 1 piece

E6000 Industrial Strength Glue Adhesive (0.18 fl oz)

SKU: XTL-1054

Project uses 1 piece

### Instructions

1. Use a toothpick or small piece of wire to spread a small amount of E6000 glue onto the flat area on the front of the pink color coated brass adjustable ring.
2. Place the flat side of the 15 mm white lucite rose cabochon onto the glued area on the ring. Make sure the cabochon is centered on the front of the ring, and press firmly into place.
3. Let dry for 24 hours.
