Instructions:

1. Watch the instructional video: How to Use Beadfix Squares. As shown in the video, peel off one side of the paper on a Beadfix square.
2. Place a pink faux opal with gold foil glass cabochon flat side down onto the sticky surface of the Beadfix square. Trim around the cabochon with scissors.
3. Remove the paper backing and press the cabochon into an antique silver plated pewter bezel ring setting. Press firmly into place.

Variations

Try a different cabochon or go for a different type of jewelry, such as earrings.

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
