

# Cupid's Arrow Ring

## Project R3008

Designer: Karlin Jones

This Valentine's Day ring features Cupid on a large Lucite oval cameo in an ornate bezel ring surrounded by SWAROVSKI ELEMENTS rhinestone flatbacks in Light Siam. This is a fun ring to make and wear.

[XTL-4004] BeadSmith Magical Rhinestone Pick Up Tool With Cleaning Kit - Great For Placing Flatback Rhinestones

## Instructions

You will need a piece of scrap wire to apply your glue.

1. Place a dab of E6000 glue onto the back of a red and white cupid cameo and press it into a bright silver tone oval bezel adjustable ring.
2. Next, watch the video on How to Use BeadSmith's Magical Tray and Magical Pick .
3. With a scrap of wire, place a tiny dab of glue onto every other scallop on the border around your ring. You should be adding 12 rhinestone flatbacks.
4. Following what you learned in the video, use your Magic Pick to pick up and place each Light Siam rhinestone flatback onto each dab of glue going around the ring.
5. And that's it. Allow glue to dry for 24 hours before wearing.
