

Hematite Pyramid Ring

Project R3021

Designer: Karlin Jones

Make this fashion forward Hematite Czech glass pyramid stud ring in a few simple steps and add a bit of edge to your everyday look.

What You'll Need

Czech Glass Beads, 2-Hole Pyramid Studs 12mm, 2 Pieces, Hematite

SKU: BCP-11205

Project uses 1 piece

Nunn Design Deep Bezel Ring, Square 12mm, 1 Ring, Antiqued Silver

SKU: FRG-1040

Project uses 1 piece

E6000 Industrial Strength Glue Adhesive (0.18 fl oz)

SKU: XTL-1054

Project uses 1 piece

Instructions

1. Take your Nunn Design square bezel ring and fill the bezel with a few dabs of E-6000 glue. Wait 10 seconds for the glue to get a bit tacky, then gently place your Czech glass pyramid stud bead on top.
2. Don't push your bead in too deep; allow the glue to dry while the bead is placed on top allowing your ring bezel to have some height with the glue.
3. Let the ring dry over night and enjoy!
